

City of Sweeny
2011 Hackberry Street Elevated Storage Tank (EST) Rehabilitation
OE Job No. 60.105 WE/WF

Scope of Work

This project consists of the rehabilitation of a legged-style elevated storage tank (EST) in Sweeny, Texas. The EST is located on Hackberry Street. Please see the Project Location Map in the plans for specific location. The EST rehabilitation consists of miscellaneous structural repairs and interior and exterior recoating of a 200,000 gallon elevated water storage tank. Recoating shall include all items which are listed for repair or installation. There are public areas and/or residences within 500 feet of this facility; therefore control of emissions from sandblasting is required. The height of this EST is approximately 127 feet and the diameter is approximately 50 feet.
